ABOUT US

Rooted in the dreams of immigrants and inspired by the promise of opportunity, Asian Americans Advancing Justice | AAJC (Advancing Justice | AAJC) advocates for an America in which all Americans can benefit equally from, and contribute to, the American dream. Advancing Justice | AAJC is a national 501 (c)(3) nonprofit founded in 1991 in Washington, D.C. Our mission is to advance the civil and human rights of Asian Americans and to build and promote a fair and equitable society for all. Advancing Justice | AAJC is the voice for the Asian American community — the fastest-growing population in the U.S. — fighting for our civil rights through policy advocacy, education, and litigation. We serve to empower our communities by bringing local and national constituencies together and ensuring Asian Americans are able to participate fully in our democracy.

WHAT WE DO

Through policy advocacy, litigation, research, community engagement, and communications strategies, Advancing Justice | AAJC works to achieve:

A Vibrant Democracy (Voting Rights; Census & Data Collection): Increasing ballot access and increasing participation of Asian Americans in voting, census and other forms of civic engagement.

Advancement of Racial and Immigrant Justice (Anti-Hate; Anti-Profilng, Civil Rights, and National Security): By reducing violence and discrimination against Asian Americans, immigrants, and other marginalized communities; by building more equitable pathways for immigration and access to status.

A Thriving Asian American Community in an Inclusive Society (Technology, Telecommunications & Media; Education): Ensuring Asian Americans are more fully included and valued in American society and are represented in American history, and by improving systems to reduce exclusion and lower barriers to access to technology and education.

Empowered Asian American Communities with Agency (Community Engagement): Supporting robust and thriving community-based organizations that can engage in their own advocacy.

AMERICAN COURAGE AWARDS 2026
